THE TRUTH ABOUT MICHELLE OBAMA'S AMERICAN PRIDE

Michelle Obama loves the United States and the opportunities it has given her, but some have been taking comments Michelle made about her pride in America out of context, twisting them into false, negative attack ads.

It's one thing for Republicans to attack Barack, but even manipulative forces looking to keep cynicism in politics have no business attacking Michelle.

Unfortunately, we can expect these attacks to keep coming.

Barack has said these attacks are "infuriating, but it's not surprising." We have to be prepared to fight back the next time someone twists Michelle's comments.
